CARE AND MAINTENANCE

- When cleaning the stroller frame, use a non-toxic, non-abrasive cleaner. Mix a solution of water with a small amount of a mild, non-toxic detergent. Apply to the stroller frame with a damp cloth. Never use strong detergents or solvents.
- The fabric parts may be machine washed (maximum temperature 30°C). Never use strong detergents or bleach.

- If you need to put your stroller in storage for any period of time, do not store in a damp or hot environment. Allow air flow around the stroller and do not stack anything on it. In case of rain, use the rain cover (sold separately). Let the stroller dry before folding it and storing it.

WARRANTY AND AFTER-SALES SERVICE

As a manufacturer, STOKKE® guarantees that with normal use, the products work without any problem for two years from the date of purchase, according to the instructions and technical specifications of the product. The labels affixed on the products with Serial Numbers shall not be removed, in any case. If the label of the product is removed, the warranty is no longer valid.

Warranty coverage

The manufacturer's warranty applies to all the products of the brand STOKKE®. For the strollers, it covers:

- All manufacturing defects on the chassis, frame, and wheels.
- All the textile pieces and harnesses of the STOKKE® strollers.

The STOKKE® warranty is limited to the replacement or repair of defective parts, free of charge. If the repair is covered by the manufacturer's warranty, STOKKE® will bear the transportation costs and risk to and from the authorized retailer from whom the purchaser bought the product. Any replaced product or part, or any repaired product, will be covered during the remaining time of the original product's warranty. Under the warranty, STOKKE® cannot be responsible for defects in products that have not been purchased from authorized retailers (list of authorized retailers on the www.stokke.com website).

The manufacturer's warranty will not apply in the following cases

- In case of modifications or repairs of the product without the prior written permission of STOKKE®.
- If the defects come from negligence or an accident, and/or the use of maintenance not according to the instructions in the user guide.

- If the Serial Number of the product is damaged or removed.
- If the damages are caused by an abnormal wear of the product.
- In case of incorrect mounting or installation of parts from other manufacturers, incompatible with the product.
- In case of accidental or unintentional damage, misuse, or neglect.
- In case of improper storage or maintenance of the product.
- In case of defect, damage, or wear on the handlebar or textiles, resulting from normal daily use of the product.
- In case of holes or tears in the tires.
- In case of damage caused by repairs carried out by unauthorized persons, or improper disassembly of the product.
